Narrative & Statements

On October 10, 2018 at approximately 5:00 p.m., I, Ptl. Taylor Dube attempted to make a traffic stop on a black motorcycle. I was patrolling north on highway 9 I turned around at Dillion Drive a black motorcycle passed by. When I got turned around I witnessed the front tire of the motorcyle in the air, and the passenger on the back of the motorcycle fall off the of the bike while running about 50 mph at Highway 9 and I-40 on ramp. The passenger, later identified as Jerry Davis, date of birth [REDACTED] jumped back up, and got on the back of the bike. The driver was later identified as Christopher Lankford, date of birth 01-01-1988. Lankford took off on East Harding Street. I attempted to catch up with Lankford. Lankford turned on Drilling Street heading west. He then turned south onto Will Street. I started catching up to Lankford, and initiated my blue lights to check on Davis, because I could see that he had marks covering his back from falling off the motorcycle. I also wanted to speak with Lankford about his driving causing Davis to fall off. Davis was also not wearing eye protection. Lankford then pulled up to the stop sign at the intersection of Will and Branch Streets. Davis jumped off the back of the bike. Lankford then took off at a high rate of speed continuing south on Will Street.

I started pursuit at this time. Lankford turned east on Broadway. We continued east on Highway 64 out of the city limits. Lankford was weaving in and out of traffic at speeds over 100 mph. As we approached a county road Lankford started to slow down. When Lankford got even with the road he took back off again. As we got close to Plumerville I could see a County Deputy fall in behind us. As we crossed the city limits into Plumerville, a Plumerville unit was sitting in the middle of the roadway. Lankford attempted to go around, but ended up hitting their patrol unit broadside in the passenger rear door.

Lankford and the motorcycle pushed the patrol unit back several feet. Lankford bounced off the Patrol unit and landed on the roadside, face down in a fetal position. I jumped out of my patrol unit ran up to Lankford to start attempting medical aid. When I got to him I noticed a large knife hanging from his side. Due to the circumstances I went ahead and removed the knife. Ofc. Duvall from Plumerville secured the weapon for me. Deputy Coffman and I moved Lankford onto his back to check to see if he was breathing. Cpl. Bryant and Ptl. Mariott arrived to assist. We were able to get his identification from his pocket. We ran Lankford through dispatch. Lankford showed to have multiple warrants including one from our department. Ptl. Mariott cut his clothes off of him to assess for damage. Lankford had several laceration to the top of his head and he had blood coming from his nose and his mouth. He also had a severe break on his right leg. Sgt. Force and Trooper Earls continued to work on Lankford.

I spoke to Cpl. Bryant about what had all happened. Cpl. Bryant contacted dispatch to have them contact Chief Stover and Assistant Chief Anderson about the situation. Cpl. Bryant and I started searching his clothes. We found a silver and red smoking device with a green leafy substance inside the bowl in his rear pocket.

Med-Tech arrived on scene to take over medical.

We searched his bag and the motorcycle. We were unable to locate anything else.

Lankford was taken by helicopter to UAMS. Trooper Earls worked the accident scene. Sgt. Force and Ptl. Mariott went back to the city to look for Davis. Dispatch advised somebody had called about Davis walking around St. Vincent Street. They were able to locate Davis. Davis was intoxicated so they brought him to the Morrilton Police Department. When Trooper Earls released me from the scene I headed back to the police department.

Upon getting back to the police department, I spoke with Davis. Davis advised me that he would not make a written statement but he would tell me some of what happened. He advised that him and Lankford had both been drinking. Davis advised when they had seen me on Highway 9 Lankford took off. Davis advised that at the intersection of Highway 9 and I-40 he attempted to make the motorcycle do a wheelie. When Lankford attempted this, Davis fell off the motorcycle and landed in the Highway. Davis advised me that when I turned my lights on that Lankford told him that unless he was wanting to ride going 120 mph that he needed to get off. Davis stated he was not dying today so he jumped off.

Davis let me take photos of his back to show his injuries. Davis advised that he did not want this to be held against his brother. Davis was then released to his fiance.

Department so he could speak with Officers about what happened.

Once cleared from the scene of the pursuit, I returned to the Morrilton Police Department where Ofc. Dube began this report on the incident and Davis was waiting for a ride to pick him up. Officers were able to tell that Davis was intoxicated due to his slurred speech, mannerisms and the odor of intoxicants coming from his breath every time he spoke. A short time later, dispatch informed Officers that Davis' ride was here and I escorted him out of the building to his fiancée.

While walking out, I asked Davis if Lankford had been drinking due to the fact that when speaking with Lankford at the accident scene, I noticed an odor of intoxicants from his breath every time he spoke. Davis stated that Lankford was "more than likely" intoxicated since the both of them had been drinking that day.
